

Jangro Coreless Dispenser, Plastic

USE

Dual roll toilet paper dispenser, ideal for use in low to medium traffic environments.

DESCRIPTION

This twin roll top-up-in-use system incorporates intelligent features for service such as a special shield which automatically prevents access to the new toilet roll until the original roll is finished and so reduces paper consumption.

FEATURES & BENEFITS

- Key lockable unit
- 31 x 19.7 x 14.3 cm
- Ensures continuity of paper supply and provides high volume in a compact unit.
- Translucent elliptical front insert to show when a refill is required
- Removable braking system which aids consumable control and minimises waste.
- Wall mounted
- Accepts core diameters 28 – 46 mm (1.1 - 1.7 in) and coreless toilet rolls.
