Specification Sheet

# ENVIRO ALL PURPOSE CLEANER

## Concentrated

### USE

All purpose neutral cleaner & degreaser.

### DESCRIPTION

Multi purpose hard surface cleaner & degreaser with the fresh smell of oranges. It has a neutral pH, making it suitable for use on a variety of surfaces including vinyl, rubber, ceramic, porcelain, vitreous enamel & paintwork.

### FEATURES & BENEFITS

- Multi purpose hard surface cleaner & degreaser
- Manufactured from a blend of surfactants & an ingredient extracted from orange peel
- Removes general soiling & ingrained dirt
- Safe on all hard surfaces
- Ideal for removing body fat from washroom areas
- Leaves a natural orange fragrance

### HOW TO USE

Light Soiling: Dilute 50ml per 5 litres of hot water (1:100).

General Soiling: Dilute 100ml per 5 litres of hot water (1:50).

Heavy Grease: Dilute 250ml per 5 litres hot water (1:20).

Graffiti Removal: Dilute with an equal quantity of hot water (1:1). Leave on surface for a few minutes & wipe clean.
