

BF070

Specification Sheet

ENVIRO GLASS & STAINLESS STEEL CLEANER

USE

Daily multi-task cleaner

DESCRIPTION

Non solvent, multi task cleaner. Removes general soiling & leaves a clean, sparkling streak free finish. Suitable for use on a variety of hard surfaces.

FEATURES & BENEFITS

- Non-solvent highly efficient window, glass & stainless steel cleaner
- Removes atmospheric grime & general soiling & leaves a sparkling streak free finish
- Ideal for cleaning various other surfaces including chrome, plastic, laminate & veneer

HOW TO USE

Use undiluted. Spray sparingly 15-30cm directly onto surface & wipe clean immediately with a clean, dry, lint-free cloth. For small areas, or for use on keyboards, TV & VDU screens, spray onto cloth then wipe surface.

DO NOT SPRAY NEAR FOOD
