

LUXURY FOAM HAND WASH

USE

Foam hand cleaner

DESCRIPTION

Luxury foam hand wash which generates an instant soft silky foam to provide a thorough cleansing action. Contains moisturising properties to help protect the skin against dryness.

FEATURES & BENEFITS

- Gentle hand wash which generates a soft velvety foam
- Mild but effective ingredients ensure only a small amount is required to achieve an effective cleansing action
- Contains glycerine to help protect skin against dryness
- The fresh citrus perfume makes it perfect for all washrooms

HOW TO USE

Hand Washing: Wet hands. Apply soap undiluted. Rub hands together & spreads foam over the hands. Rinse in clean water. Dry hands thoroughly.
