

BA005-5

Specification Sheet

NEUTRAL CLEANER ORANGE Concentrated

USE

Multi-purpose hard surface cleaner & degreaser.

DESCRIPTION

Has a fresh smell of oranges and a neutral pH, making it suitable for use on a variety of surfaces including vinyl, rubber, ceramic, porcelain, vitreous enamel & paintwork.

FEATURES & BENEFITS

- Manufactured from a blend of surfactants & an ingredient extracted from orange peel
- Removes general soiling & ingrained dirt
- Safe on all hard surfaces
- Ideal for removing body fat from shower areas
- Natural fresh orange aroma

HOW TO USE

Light Soiling: Dilute 50ml per 5 litres of hot water (1:100)

General Soiling: Dilute 100ml per 5 litres of hot water (1:50)

Heavy Grease: Dilute 250ml per 5 litres of hot water (1:20)

Graffiti Removal: Dilute with an equal quantity of hot water (1:1). Leave on surface for a few minutes & wipe clean.
