

ODOUR NEUTRALISER

USE

Liquid odour neutraliser.

DESCRIPTION

Highly effective and quick acting odour neutraliser and deodoriser with a bactericidal effect. Passes EN 1276. Will eliminate a wide range of malodours. For use on hard surfaces, carpets, fabrics, waste compactors & dustbins.

FEATURES & BENEFITS

- Highly effective & quick acting odour neutraliser & deodoriser.
- Eliminates the most stubborn & offensive odours.
- Suitable for use against various odours including: urine, vomit, tobacco smoke, perspiration, rancid food, pet odours & sour milk spillage.
- Effective against various types of bacteria including MRSA.

HOW TO USE

For areas with an established and persistent problem, spray the surface liberally to ensure the odour is digested.

For more recently contaminated areas, spray the offending material to help neutralise the immediate odour. Remove as much solid by dustpan & blot urine with paper towel. Spray surface once again liberally and allow the product to overcome both the malodour and its cause.

Use undiluted. Refill Jangro Odour Neutraliser 750ml spray bottle with undiluted product from the 5 litre container.
