

PERFUMED TOILET CLEANER

USE

Neutral toilet and washroom cleaner.

DESCRIPTION

Highly perfumed, thickened toilet & washroom cleaner, for daily & routine cleaning of toilet bowls, urinals, sinks & baths. Suitable for use on a variety of hard surfaces.

FEATURES & BENEFITS

- Highly perfumed toilet & washroom cleaner for daily use
- Removes dirt
- Provides a refreshing smell
- Does not contain acid or alkali
- Neutral pH
- Safe to use on all types of toilet bowls, urinals, sinks, baths & tiles

HOW TO USE

Toilet Bowls & Urinals: Apply undiluted to the urinal or under the rim of the toilet bowl.

Leave for a few minutes & rinse with clean water. Stubborn stains may need agitation with a brush.

Sinks, Baths & Tiles: Apply undiluted. Wipe with a damp cloth & rinse with clean water. Allow to air dry.
