

Extraction Carpet Cleaner

USE

A specially formulated cleaner for use on woven and non-woven carpets of synthetic and natural fibres when used in conjunction with a hot water extraction machine.

DESCRIPTION

Powerful and efficient low foaming carpet shampoo for use with either hot or cold water machines. Designed for cleaning and revitalising carpets and upholstery.

FEATURES & BENEFITS

- Rapid dirt removal
- Low foam for ease of pick up
- Suitable for all makes of hot water extraction machines
- Pleasantly perfumed
- No unpleasant after odour
- For professional use only

HOW TO USE

Dilute 60ml per 5 litres of hot water (1:83). Ensure detergent spray is not blocked and suction recovery is functioning correctly. Spray and pick up in accordance with machine manufacturer's recommendations. Ensure that as much liquid as possible is extracted from the carpet to speed up drying. N.B – Test a small inconspicuous area of the carpet for colour fastness before commencing cleaning.
