

Perfumed Toilet Cleaner

USE

Highly perfumed toilet and washroom cleaner for daily use. Safe for use on all types of toilet bowls, urinals, sinks, baths and tiles.

DESCRIPTION

Perfumed toilet and washroom cleaner that provides long lasting fragrance against odours. Effective for cutting through all dirt and grime due to viscous formula which coats and clings to freshen the surface. Designed for everyday use.

FEATURES & BENEFITS

- Highly perfumed, overcomes unpleasant odours
- Passes EN 1276, EN 1650 and EN 14476
- For professional use only

HOW TO USE

Toilet Bowls and Urinals – Apply undiluted to the urinal, toilet bowl and under the rim. Leave for a minimum of 5 minutes and rinse with clean water. Leave overnight for best results. Stubborn stains may need agitation with a brush.

Sinks, Baths and Tiles – Apply undiluted, wipe with a damp cloth and rinse with clean water.

Do not use on marble, limestone surfaces or any other materials sensitive to acid. If in doubt, test product on small inconspicuous area first. Do not mix with other chemicals, especially bleach.
