

## Centerfeed Roll 300M

### USE

For use in washroom dispensers. Our Centerfeed rolls are perfect for use for a wide range of general-purpose cleaning tasks such as hand drying or surface wiping. They are a hygienic solution for keeping everything clean.

### DESCRIPTION

Made from recycled materials, our Centerfeed Rolls are ideal for use in busy environments where a large amount of tissue is required to absorb spillages quickly. A must-have for almost any environment. Whether it is home or office, these strong and highly absorbent centrefeed tissues always come in handy.

### FEATURES & BENEFITS

- 6 rolls per pack
- Shrink wrapped
- White - 19 gsm
- Recycled

### HOW TO USE

Our rolls can be easily loaded into the dispenser by removing the core from the centre of the roll and placing it in the dispenser. As the paper dispenses from the middle, the paper is easily torn with a sharp tug against the side of the dispenser.
