Stainless Steel Cleaner

This label is for use with a diluted solution of Jangro Stainless Steel Cleaner in a spray bottle. Please refer to label on concentrated product for correct dilution rate. For use on all types of stainless steel equipment including, sneeze counters, fridge doors, canopies and cabinets.

pH: 3.0

Apply a light spray onto a cloth or directly onto surface and wipe off with a clean, dry cloth. Buff to shine if required.

Health and safety

KEEP OUT OF REACH OF CHILDREN. Wash skin thoroughly after handling. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Dispose of content/container in accordance with local regulations.
